

### **Sudduth Search announces the placement of Controller at Piñon Midstream**

Sudduth Search is pleased to announce the placement of Connie Campbell as Controller at Piñon Midstream, a privately held midstream services provider focused on gathering and treating sour gas in the Northern Delaware Basin.

“Connie is an outstanding addition to our team. Her vast experience as a Controller within PE backed companies will be a tremendous asset to us as we grow. We truly appreciate Sudduth Search’s focus on the cultural match to our executive team, while making the hiring process seem smooth and easy,” says Justin Bennett, Piñon’s Chief Commercial Officer and a Founding Partner.

“With strong backing from Black Bay Energy Capital, Pinon is on the forefront of executing their aggressive growth strategy. Helping them find transformational talent to get them there was a privilege,” said Jen Sudduth, Managing Partner at Sudduth Search.

#### **About Piñon Midstream**

Piñon Midstream, LLC was formed in 2020 by midstream veterans Steven Green and Justin Bennett to provide a viable solution to the sour gas problem in the northeastern Delaware Basin. Formed with financial backing from Black Bay Energy Capital and supported by underwriting commitments from Ameredev II, Piñon delivers a full menu of sour gas services that include field gathering and compression, sour condensate stabilization and marketing, amine treating for removal of H<sub>2</sub>S and CO<sub>2</sub>, H<sub>2</sub>S and CO<sub>2</sub> geologic sequestration, and high-pressure delivery of treated sweet gas to multiple area third-party processing plants.
